Policy Guidelines:

1. A 3% discount is given for full cash payment upon enrollment but not later than June 4, 2018.
This is subject to an annual review.
2. Unless proof of the lower income is shown, students will be assessed on the basis of the higher Academic Enhancement Fee (AEF) rate (AFI above P150,000). To avail of the lower AEF rate, the parents' 2017 Income Tax Return must be submitted during enrollment, but not later than June 30, 2018. (Faculty and Staff and their dependents cannot avail of the lower AEF rate since they already enjoy tuition privileges.)
3. For parents who have two or more children enrolled at SU, discounts on the Academic Enhancement Fee are granted as follows:

First child - None

Third - Fifth child - 40% (each child)

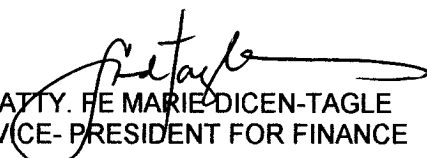

Second child - 20%

A list of children, and their corresponding levels, must be submitted at the time of enrollment. Birth certificates of each child should be submitted at the Business and Finance Office not later than June 30, 2018 if none had been submitted in the preceding school year.

4. Withdrawal of enrollment for reasons other than sickness or physical injury should be done within the first five days from the start of classes to avail of full refund of downpayment (minus registration fee, and service charge of P50.00). Withdrawals made after this period will be charged as follows:
Within the first month, but not later than June 30, 2018 - the amount paid or charged as downpayment.
After June 30, 2018 but not later than October 31, 2018 - 50% of total fees.
After October 31, 2018 - 100% of total fees.

6. Non-credit attendance (auditors) shall be charged on a prorata basis.
