

**REVISED BACHELOR OF SCIENCE IN
 AGRICULTURAL BUSINESS CURRICULUM (CMO 24 – 2007)**

The Agribusiness program at SUCA envision to train manpower capable of fitting into any of the economic sectors within the agribusiness systems. The program is focused on both agricultural entrepreneurship and agribusiness management. It offers for specialization in the form of elective subjects which will be offered during the last three semesters of the program. Furthermore, curricular activities that will provide students access to real-world agribusiness will be a built-in component of the program.
