## Prayer for Christian Unity Sunday

Today we observe the Prayer for Christian Unity Sunday. The Prayer for Christian Unity 2019 theme has been selected, and finds its origins in Deuteronomy 16:20, “Justice, Only Justice, You Shall Pursue”. This was chosen for its powerful message of promoting truth, equality and unity for all Christians around the world, on the premise that real unity, equality and liberating truth can be realized only on the foundation of authentic justice for all.

The initial work on the theme for this year’s Week of Prayer was prepared by a group of representatives from different parts of Indonesia, including the Communion of Churches in Indonesia and the Indonesian Catholic Bishops’ Conference. The texts were finalized during a meeting of the International Committee of the Faith and Order Commission of the World Council of Churches and the Pontifical Council for Promoting Christian Unity.

## Gideons International

We welcome this morning the officers and members of the Gideons International Dumaguete Camp. They will be sharing a brief progress report on the status of their ministry of Bible distribution to the different sectors and institutions of our society. This is one ministry which is regularly supported by the members of this congregation.

Distributing Bibles to far flung areas, to peoples who would otherwise have no access to the Word of God is certainly a ministry worth supporting by every member of our church. This is also a very meaningful undertaking as we look forward to the observance of National Bible Sunday next Sunday, January 27.

Beware: Mr. Flu is around

With the rains practically making its presence everyday, be vigilant of your body signals, because you might have caught the flu virus. Do not ignore fever, colds and body aches. Consult a physician immediately, particularly, the older adults, because they are prone to develop pneumonia. Rest, take your medicines, and confine the virus by disposing of your tissues, covering your mouth when coughing or sneezing, and isolate the sick, if feasible, forced fluids, and eat well. Stay safe always.
