## National Bible Week Theme: “The Bible: Real Talk”

The Philippine Bible Society (PBS) has selected “The Bible: Real Talk”, as the theme for 2019’s National Bible Month (NBM) celebration. The official hashtags for the month-long festivities are #TheBibleRealTalk and #NBM2019. Psalm 19:7-8 and 2 Timothy 3:14-17 serve as our reference verses. National Bible Month will be in January 2019, while National Bible Week will be held from January 21-27, 2019 specifically. National Bible Sunday will be on January 27, 2019.

What makes NBM 2019’s theme unique is the fact that it puts its emphasis on the youth. PBS acknowledges that the youth today are going through many issues and struggles. There is an urgent need for the Bible to be highlighted in their lives as the one true source of life that can “real talk” them into having more hope, clarity, and comfort.

National Bible Month is a time of great rejoicing. Motorcades, parades, and rallies are organized among churches and organizations. The Scriptures are read and distributed in public places. Homilies and sermons are also aligned to put focus on the Bible’s role in life transformation. (From the official Press Release of the Philippine Bible Society)

## February is Membership Month

As we look forward to the month of February we will soon resume our annual communicants class. Those who belong to the age bracket starting at 11-13 and have not undergone the communicants class program may please contact **Rev. January B. Alpuerto** for proper listing.

We are also preparing to update our membership record for the governing members of this church. We will request those who are governing members to fill up our revised membership form. Others who are interested to become governing members may fill up the appropriate application form.

Food Poisoning

By: Nenita P. Tayko

Attending a happy event could have a sad ending when you are rushed to the hospital for vomiting and loose bowel movement. Many years ago it happened to me. So the doctor asked me what I ate. I forgot to ask about the soup that was served to us- it was crab soup. I am allergic to crustaceans- that did it! So be careful and do not ignore the symptoms and seek consultation immediately.
