

SILLIMAN SONG

Words by Dr. Paul Doltz

Arranged by Peregrino Aledia

Music is based on the song, The Orange and the Black Princeton

Where the white sands and the coral, kiss the dark blue southern sea.
And the palm trees tall and stately, wave their branches in the breeze,
Stands a college we all honor, in our hearts without a peer,
Silliman our Alma Mater, ever lovely, ever dear.

Chorus

Loyal will we be to Silliman, here's a cheer, boys, three times three:
Silliman our Alma Mater, Silliman beside the sea.

Happy days of school and college, gliding swiftly like a dream,
When the things of life and beauty, are more nearly what they seem,
Winning vict'ries in the classroom, on the court, the track, the field,
Still we work for dear old Silliman, her honor bright to shield.

When we leave the halls of Silliman, roam the world o'er near and far,
Still the faith and truth she gave us, will remain our guiding star;
O'er in high place or in lowly, fortune sends us joy or pain,
To our love for dear old Silliman, loyal shall we e'er remain.

63rd

ANNUAL HONORS DAY CONVOCATION

PREMIERE STREAMING
2PM, MONDAY, 12 APRIL 2021
SU FACEBOOK & YOUTUBE

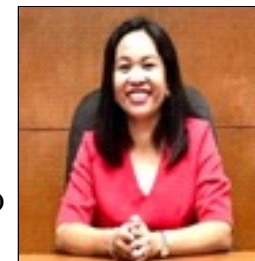

HONORS DAY

EXCELLENCE assumes many profiles. There is excellence in scholarship, in service, in sports, in spirit, even in beauty. The Greeks call this *Arete*-doing the best on what one is capable of doing. In Silliman these profiles of excellence are reflected in the achievements of the various sectors of the University-students, faculty, staff. Then achievement of one sector somehow finds and echo in the achievement of another. That an honor student is the product of a confluence of factors-strong faculty, dedicated staff, wholesome milieu-cannot be gainsaid. They must be accorded due recognition.

The “coherence program” of the University seeks to bring into common focus the vital functions of instruction, research, and extension, to the end that they may all contribute in the development of “whole persons” imbued with immutable human faith and spiritual perspectives. To this end, we celebrate HONORS DAY to recognize and reward our students’ excellence in all facets of the University life. And to enshrine the spirit of excellence in its totality, the awarding ceremony, which combines academic and co-curricular awards, is done on the same occasion.

Silliman University Honor’s Day Convocation
Convocation Speaker

HON. SHEILA LYNN M. CATA CUTAN-BESARIO

Our convocation speaker is Hon. Sheila Lynn M. Catacutan-Besario, an honorable judge, professor of law, and a women’s rights champion.

Hon. Sheila Lynn M. Catacutan-Besario is the Presiding Judge of the Regional Trial Court Branch 31 (Family Court Designate) of the Regional Trial Court of Negros Oriental. She was the dean of the College of Law of Silliman University from 2016 until she joined the judiciary in 2019. At Silliman University, Hon. Catacutan-Besario was also a professor of Chemistry and at the Graduate School. Besides her teaching responsibilities, she was also Deputy Director of the Salonga Law Center and was also a member of different significant committees in the university.

Hon. Catacutan-Besario has been an active advocate of protecting women’s rights and providing public legal assistance to women in Dumaguete City. She was chair of the board from 2014 to 2018 of the Gender Watch Against Violence and Exploitation (GWAVE), a non-government organization based in Dumaguete City. She also served as Director of the Office of the City Legal Assistance Service (OCLAS).

In the year 2010, Hon. Catacutan-Besario received her Master of Law in Biotechnology and Genomics from the Sandra Day O’Connor College of Law of the Arizona State University as a J. William Fulbright Philippines Foreign Grantee. She obtained her Bachelor of Laws in 2003 and Bachelor of Science in Chemistry, cum laude, in 1998, both from Silliman University.

Hon. Sheila Lynn M. Catacutan-Besario is one of the exemplary alumni of Silliman University who embodies “character, competence, and faith.”

UNIVERSITY HONORS

Students specially honored for excellent scholarship during their Junior and Senior years.

TRISHA MINNOLLI U. DIOLESTE, Nursing
California, USA

JAPHETT. ESTORQUE, Theology
Pilar, Bohol

RULES FOR RECOGNITION OF HONORS STUDENTS

I. CLASS HONORS

Students in the upper ten per cent of each class within the several colleges are awarded Class Honors and are entitled to have their names printed on the Honors List in recognition of their high scholarship provided that no student shall be included whose average is below 3.25 QPA*

II. COLLEGE HONORS

Students in the upper three per cent of the sophomore, junior and senior classes in the several colleges are awarded College Honors in recognition of their superior scholarship, provided that no student shall be included whose average is below 3.5 QPA.

III. UNIVERSITY HONORS (BRONZE TABLET)

(a) Those seniors who have been in the upper three per cent of their class in the several colleges in the four semesters in which they were considered for junior and senior honors, and therefore have been awarded College Honors in both junior and senior years, are awarded University Honors in recognition of their sustained excellence in scholarship, and are entitled to have their names inscribed on the Bronze Tablet.

(b) Other graduating seniors students who have earned College Honors twice and whose scholastic average for all semesters prior to the one in which they are scheduled to graduate are equal to or higher than four semester average of the lowest student currently chosen for University Honors from their school or college under (a) are also entitled to have their names inscribed on the Bronze Tablet.

(c) Graduating senior transfer students who have not been at Silliman University long enough to be considered under (a) or (b) are also entitled to have their names inscribed on the Bronze Tablet provided that (1) their scholastic averages in Silliman University for three prior semesters are equal to or higher than the four-semester average of the lowest student currently chosen for University Honors from their school or college under (a); and that (2) their averages in transferred credits are at least equal to the average of the lowest student currently chosen for University Honors from the school or college under (a).

RULES OF PROCEDURES

- (1) Averages are computed to two decimal places, except that in a tie average will be computed to three decimal places by the Office of the Registrar. Grades considered for honors are those earned in semesters of residence as follows: (a) freshman honors, first semester; sophomore honors, second and third semester; junior honors, fourth and fifth semesters; senior honors, sixth and seventh semesters; or (b) one semester and two summer sessions where there has been no intervening registration in a regular semester; or (c) for students requiring more than eight semesters to graduate senior honors will be based upon two semesters preceding the semester in which the students are also scheduled to graduate. For such students, junior honors may also be deferred upon recommendation of the College in which the student is registered. Grades considered for honors shall be those on file in the Office of the Registrar. Transfer grades, to be eligible for consideration, must be on record in the Office of the Registrar of Silliman University at the close of the semester for which honors are being computed.
- (2) Students who have been credited more than 20 hours of courses taken from other schools are not eligible for Class Honors as freshmen; and no students, other than freshmen, are considered for Honors until they have been in residence for two semesters or their equivalent.
- (3) Students will be classified as to colleges for honors on the basis of their registration for the last semester in which their grades are considered for honors.
- (4) Students are eligible for Class, College or University honors irrespective of whether or not they are in residence after the last semester in which their grades are considered.
- (5) Students who graduate in less than eight semesters will not be considered for senior honors prior to graduation. If earned, these honors will be awarded after graduation.
- (6) Only students who carry a minimum load of 15 units or more per semester should be considered for Honors Award.
- (7) Unclassified students are not considered.
- (8) No students shall appear on the Honors List for two years as a member of the same class, i.e., freshman, sophomore, junior, or senior, except in the five-year program, where the third and fourth years are considered as junior.

*QPA—Quality Point Average

RULES OF PROCEDURES

- (9) Scholarship keys will be awarded to those have earned college honors for two consecutive years.
- (10) To be qualified for honors, students in the College of Nursing should have at least a 2.7 quality point average in their clinical practice.
- (11) A recipient of University Honors who has earned a degree in a college of the University shall be disqualified for University Honors for work in another undergraduate college of the University.
- (12) A student who repeats a subject for the purpose of obtaining a higher Q.P.A. is disqualified for the Honors Award.
- (13) If a student repeats a subject, both grades should be considered in the computation of the Q.P.A.
- (14) No student with a grade below 2.0 should be considered for the Honors Awards.
- (15) No student with more than one (1) Inc. per semester be considered for the Award (unless incomplete are incurred due to emergency reasons like death in a family or hospital confinement on the part of the student).
- (16) No student who drops a course or courses after four weeks except for emergency reasons may be considered for the Award.
- (17) For Physical Therapy, Bachelor of Science in Business Computer Application and other courses of similar nature, where the grades of the students could not be made available until the end of the internship period, the appropriate honors award shall be reflected in the permanent record of the student after the last semester of the internship year.
- (18) In addition to the above, the student should be recommended by the Dean of the College, Chairman of the Department, and one major professor to be appointed by the chairman.
- (19) There should be only one "HONORS-AWARDS CONVOCATION.
- (20) Minor changes in these rules of procedure may be made from time to time as occasion demands.
