

SILLIMAN SONG

*Where the white sands and the coral
Kiss the dark blue Southern Seas,
And the palm trees tall and stately
Wave their branches in the breeze,
Stands a college we all honor,
In our hearts without a peer,
Silliman, our Alma Mater,
Ever lovely, ever dear.*

Chorus:

*Loyal will we be to Silliman,
Here's a cheer, boys, three times three:
Silliman our Alma Mater,
Silliman beside the sea.*

*Happy days of school and college
Gliding swiftly like a dream,
When the things of life and beauty
Are more nearly what they seem;
Winning vict'ries in the classroom,
On the court, the track, the field,
Still we work for dear old Silliman,
Her honor bright to shield.*

*When we leave the halls of Silliman,
Roam the world o'er near and far;
Still the faith and truth she gave us
Will remain our guiding star;
O'er in high place or in lowly,
Fortune sends us joy or pain;
To our love for dear old Silliman,
Loyal shall we e'er remain.*

SILLIMAN
UNIVERSITY

64th ANNUAL HONORS DAY CONVOCATION

PREMIERE STREAMING
2PM, May 4 & 5, 2022
SU FACEBOOK & YOUTUBE

HONORS DAY

EXCELLENCE assumes many profiles. There is excellence in scholarship, in service, in sports, in spirit, even in beauty. The Greeks call this *Arete*-doing the best on what one is capable of doing. In Silliman these profiles of excellence are reflected in the achievements of the various sectors of the University-students, faculty, staff. Then achievement of one sector somehow finds and echo in the achievement of another. That an honor student is the product of a confluence of factors-strong faculty, dedicated staff, wholesome milieu-cannot be gainsaid. They must be accorded due recognition.

The “coherence program” of the University seeks to bring into common focus the vital functions of instruction, research, and extension, to the end that they may all contribute in the development of “whole persons” imbued with immutable human faith and spiritual perspectives. To this end, we celebrate HONORS DAY to recognize and reward our students’ excellence in all facets of the University life. And to enshrine the spirit of excellence in its totality, the awarding ceremony, which combines academic and co-curricular awards, is done on the same occasion.

RULES OF PROCEDURES

- (1) Averages are computed to two decimal places, except that in a tie average will be computed to three decimal places by the Office of the Registrar. Grades considered for honors are those earned in semesters of residence as follows: (a) freshman honors, first semester; sophomore honors, second and third semester; junior honors, fourth and fifth semesters; senior honors, sixth and seventh semesters; or (b) one semester and two summer sessions where there has been no intervening registration in a regular semester; or (c) for students requiring more than eight semesters to graduate senior honors will be based upon two semesters preceding the semester in which the students are also scheduled to graduate. For such students, junior honors may also be deferred upon recommendation of the College in which the student is registered. Grades considered for honors shall be those on file in the Office of the Registrar. Transfer grades, to be eligible for consideration, must be on record in the Office of the Registrar of Silliman University at the close of the semester for which honors are being computed.
- (2) Students who have been credited more than 20 hours of courses taken from other schools are not eligible for Class Honors as freshmen; and no students, other than freshmen, are considered for Honors until they have been in residence for two semesters or their equivalent.
- (3) Students will be classified as to colleges for honors on the basis of their registration for the last semester in which their grades are considered for honors.
